Questions

The word "Questions" is rendered in a large, bubbly, 3D font with a pink-to-orange gradient and a dark red outline. It is centered on a light green background. Four decorative question marks, matching the font's style and color scheme, are positioned around the word: one in the top-left, one in the top-right, one in the bottom-left, and one in the bottom-right. Each question mark has a circular base and a curved tail.
