

## What to do during a terrorist attack?

- ⊕ Leave the site immediately, moving to an open space or a protected area.
- ⊕ Avoid as best you can proximity to tall buildings, glass windows, and vehicles.
- ⊕ If there are police forces in the area, follow their instructions.

Nails & screws inside an explosive charge to increase damage

## What to do as soon as the terror incident is over?

- ⊕ If police forces have not arrived yet- call 100 immediately. Follow instructions of police forces and rescue teams.
- ⊕ **Do not form or join a crowd!**  
Leave the area immediately: there may be additional explosive charges around.
- ⊕ **Make way for rescue vehicles.**
- ⊕ Observe your surroundings, and report to the police immediately any suspects or additional explosive charges.
- ⊕ If you have any information that may help apprehend suspects or locate a vehicle involved in the incident, contact the police at once.
